FLAVORS

The list below includes all of our cake flavors and icing flavors, which you can mix and match to create your perfect cake.

1) Classic Flavors- **almond**, **caramel**, chocolate, chocolate hazelnut**, chocolate mint**, **coconut**, **cream cheese****, **hazelnut**, **lemon**, **mint**, **orange**, spice, **vanilla**

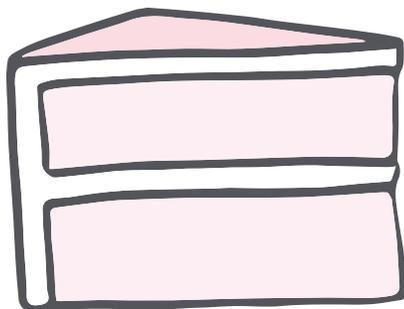

2) Deluxe Flavors- apple butter, banana*, blackberry, black tea, blueberry, cardamom rosewater, carrot*, chai, cherry, coffee, cookies 'n cream** (whip only), German Chocolate**, golden milk**, green tea, **lavender**, lemon poppyseed*, lime, lime coconut, mango, maple, marble*, Mexican Chocolate**, mocha**, peach, peanut butter, pineapple, pumpkin*, raspberry, strawberry, vanilla bean, **whiskey****

* cake only

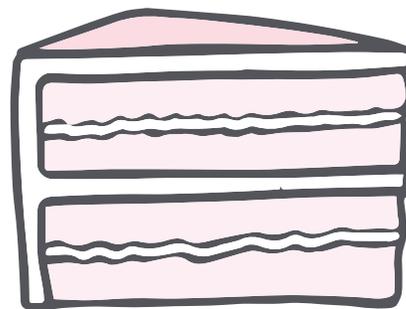

** icing only

In some cases, what we use to flavor the icing can affect the color and/or texture of the icing. If you prefer a cake that's iced with white frosting, please refer to the **bolded** flavors above.

You can also have your cake torted to incorporate extra flavors or fruit preserves for an additional fee. A torted cake involves cutting each layer in half thus creating thinner cake layers, and allowing for three layers of icing or filling inside as opposed to one.

ORDERING A TASTING

The best way to pick your perfect flavor combination is to order a “take home cupcake tasting” for \$25. To schedule your tasting, please fill out the Wedding Tasting Order Form, that you will receive via email, at least one week prior to the desired pick-up date. You will select up to five cake/icing flavor combinations. If you are interested in setting up a gluten-free tasting, please let us know so we can send you the Gluten-Free Wedding Tasting Order Form. We provide four cake/icing flavor combinations for gluten-free tastings.

Most of our icing flavors can be made in either buttercream or whipped icing, and we suggest that you try both types of icings during your tasting. Buttercream is dense and rich but can crack upon hardening and whipped is lighter and has a smoother finish.

Once your Wedding Tasting Order Form has been submitted, we will respond with a confirmation email to let you know the tasting has been added to our calendar! Card payment can be accepted via phone after you have received an order confirmation email.

RESERVING THE DATE

After your tasting, let us know what you think! If you decide to go with Pattycake for your wedding, we require a \$50 deposit to reserve the date.

The wedding deposit can be paid when you're ready to reserve your date to guarantee availability. We book a limited amount of wedding orders for each date; the \$50 deposit is non-refundable and guarantees your date.

CUSTOMIZE *cupcakes*

Here comes the fun part: customizing a wedding order to fit your needs! The next few pages go into detail about our wedding cake and cupcake options with generalized pricing.

Our cupcakes range between \$22 - \$55/dozen + any decorating fees. Cupcakes are offered in three sizes and all flavors. The baby size cupcakes can be ordered in a minimum quantity of 2 dozen per flavor combination while the party and Texas sizes can both be ordered in a minimum of 1 dozen per flavor combination.

Tiered cakes consist of cakes stacked one upon another with dowels or straws and cardboard bases inserted for support. As they present a unique engineering challenge, their price reflects the work; they range from \$5.00 - \$6.75 per serving. Prices vary depending on specific flavor selections. Delivery and on site assembly are typically required.

DECORATION

Cost of decoration is based on an estimate of materials plus the time it takes to pipe by hand. We can also place edible flowers, herbs or fresh fruit that you provide, but do not offer fondant at this time.

Please provide us with any photos or inspiration to ensure we create the decorations you desire! Once you have drafted your wedding order, you can send it to us via email so we can start your contract!

PICK UP OR DELIVERY

Our delivery fee is \$75 within the 270 loop with an additional \$2 added for every mile outside of 270. Example: $(\$2 \times \text{miles from the bakery to the venue}) + \$75 = \text{delivery fee outside of 270}$

At this time, due to Covid-19, we are doing contactless delivery only and we ask that you make arrangements so that somebody is available to take responsibility for the treat set-up at the venue. This could be a friend, family member, caterer, venue staff member, etc. Please have this information ready when you finalize your order.

Pick up may be done by yourself, friends, or family to waive the cost of delivery.

ORDER FINALIZATION

The finalization of your order is required at least two weeks before the date of your wedding along with complete payment. Card payment can be made via phone during a scheduled call. If you have any questions, please don't hesitate to email us at weddings@pattycakebakery.com or call the bakery at 614.784.2253. Thank you once again for considering us for your special day!

you!*
